

Palo Verde Men's Club

2021-2022 Online Membership Process

For the 2021-2022 golf season the Men's Club has switched to an online application process. This is primarily the result of AGA raising GHIN fees. By converting to an online process, we can reduce the amount of increase. We do not plan to offer a paper application but will host Saturday sessions to get you signed up.

Fees for 2021-2022 (will increase \$5 on 1/1/2022):

- | | |
|-------------------------|------|
| 1. Regular Membership | \$75 |
| 2. Seniors (85 & older) | \$35 |
| 3. Handicap Only | \$55 |

Returning members:

If you have an AGA online account this process is very easy. Login to your AGA account and go to your dashboard. Scroll down to the club memberships section, click on the "Renew Online" link and follow the instructions. Be sure to double-check that all the information is correct. If you want, you can select to have your membership automatically renew. You will then receive a confirmation email and the club will be notified that you have renewed.

If you do not have an AGA account, go to the AGA website at www.azgolf.org. Click on link "Join/Renew" at the top of the page. Scroll down and click on the link "Renew Existing Membership". It will walk you through the process of setting up an AGA account so that you can renew. You will need your GHIN number and a email address for this. Again...the club will help if you need it.

New or returning after an absence:

If you are joining for the first time or returning after an absence of a year or more, you must go to the AGA website at www.azgolf.org. Click on link "Join/Renew" at the top of the page. Scroll down and click on the link below "Join a Club". Enter "Palo Verde CC" in the filters box. Click on Palo Verde CC and follow the instructions.
